Fundraising fever strikes NHS

Fundraising fever began early this year, sending each class in a whirl of activity. The Freshmen immediately caught on to the importance of money-making with their success in passing out the AT&T handbills. Committed Sophomores withstood icy winter winds, determined to sell a cup of hot chocolate to everyone. Computer dating, a fun and new idea, added to the growing Junior treasury.

This year was the Seniors' last chance to raise money before their prom, and they charged full steam ahead by sponsoring dances and flower sales, as well as a

Christmas ornament sale.

Fundraisers are important events at Northville High School. Students learn how to work together and accomplish their goals, while making money at the same time.

Spirit Night '85

Despite the unusual state of disruption at the high school, spirit and enthusiasm leaked their way into the Annex. Even though freshly poured tar and asphalt prevented students from racing around the track on Big Wheels, they still had fun hopping across the field in potato sacks and racing around goal posts in man-powered chariots.

The first annual Big Mac Eating Contest thrilled the audience but probably sickened the boys who tried to eat as many Big Macs as possible in five minutes.

Musical chairs proved to be a popular activity when students who lost their seats received whipped cream pies in their faces, like Shannon Couzens. Each class collected their strongest student to anchor their tug-of-war rope. The junior class pulled the freshmen and seniors across the line to come up the champions. A bonfire complete with music from the band, chants from the cheerleaders, and laughing students rounded out an exciting evening and laid the path for future spirit nights.

Homecoming

Once again Homecoming floats paraded through downtown Northville enroute to the football game against Franklin on October 11. More clubs and organizations than ever before took part in this year's fairy tale theme. The sophomores and freshmen made a fine showing with Peter Pan and Little Red Riding Hood, even though the seniors won as usual with the Three Little Pigs. The juniors captured second with Hansel and Gretel's candy house.

Fads, fashion and hairstyles for every mood at NHS

From neon and new wave to stonewashed and preppy, the look at NHS is forever changing.

Brands like Guess and Forenza replaced BonJour and Jordache. Clothing covered with plaids, paislies, or floral prints, as well as stirrup pants and shaker knit sweaters, were common. Styles of the 50s came back bringing crew cuts, hightops, cropped pants and jackets of jean and leather.

Costume jewelry coated with pearls and glassy gems expressed the current fashion.

Mowhawks, curled layers and bobs were popular hairstyles. Guys used hair gel and gals experimented with styling mousse.

With our wide variety of changing tastes, nearly everyone is in style. Who knows what next year's fads and fashions will be!

Spirit soars in new high school

Spirit Week 1986 was an exciting time, especially since Northville moved into the new high school. Students showed spirit by dressing up in pajamas, out-of-the-past clothes, occupational attire, beach wear, and, of course, orange and black colors.

Northville students participated in different lunch time activities including pass-the-lifesaver, gold fish eating contest, bobbing for apples, jello slurping, and impersonations.

Northville also held an activities night much like the one during the football season. Some outstanding events were the tug-of-war, musical chairs, and the air band contest.

The climax of the pep assembly on Friday was the announcement of the 1986 Spirit King and Queen: **Craig Kozler** and **Mina Rahimi**. The representatives for the other classes were: Juniors **Rich Gird** and **Beth Buckland**; Sophomores **Jeff Terwin** and **Cathie Crichton**; and Freshmen **Dave Buckland** and **Beth Swayne**.

School spirit carried the Mustang Cagers to victory over the Canton Chiefs. The first ever dance in the new NHS cafeteria followed, and the Juniors won in the third annual donkey basketball, concluding Spirit Week in high spirits.

Our year at the Annex has brought many changes to the organizations at NHS. Groups such as Band, Choir, and Student Congress have remained strong in spite of half day sessions, lack of adequate meeting and practice space, and communication difficulties. Other groups such as S.A.D.D., National Honor Society, Yearbook, and Drama have had more trouble overcoming these obstacles. However, Student Congress and Pep Club held several successful dances, and National Honor Society profited from its stocking sale. Despite odd meeting hours, NHS students have remained active in their school's clubs and organizations.

Honor Society grows

Early on in the 1985-86 school year congratulations were in order for the members of the National Honor Society. With a rapid improvement in attendance and participation from the previous year, the group was well on their way to reaching their goals. National Honor Society members sponsored several activities including an October flower sale, a very successful November Entertainment Book Sale, and a December canned food drive and stocking sale. In the spring the National Honor Society held a car wash and another Entertainment Book sale.

Thanks to the leadership and organization of President **Mary MacDonald**, Vice President **Matt Peltz**, Secretary **Jayshree Matadial**, and Treasurer **Diane Dragon**, the group made an impact on fellow students and the community. In the words of sponsors, **Emily Serafa-Manschot** and **Marie Hopkins**, "We are really excited about the enthusiasm students are showing about participating in activities and we are looking forward to inducting as many students in May."

Congress remains strong throughout renovation

This year's Student Congress was one of impeccable organization and creative output. Just a few of the numerous and exciting activities were the Turkey Trot Dance which raised money for the Sophomores and Freshmen, the Bird Seed Sale, and the Christmas Dance. Spirit Week was once again a smooth operation due to the expertise and technique of the Student Congress members.

The Western Lakes Activities Association dinner was attended by NHS student officials as well as leaders from other schools. The dinner provided an opportunity to exchange ideas regarding fund raisers and school social activities.

Hutch Kerns as President, **Beth Buckland** as Vice-President, Treasurer **Kathy Whelan** and Secretary **Beth Ross** did an excellent job, and NHS would be fortunate to have a congress equally as efficient in future years.

Jazz band earns a 1

This year the band program at Northville High School was one of change, adjustment, and lots of new faces which brought an abundance of talent.

Marching Band, the smallest in number but largest in spirit, built a float for Homecoming and took second place. Symphonic Band, the largest of the groups, and Jazz Ensemble took a trip to Washington D.C. where they participated in a music festival. They competed with other bands from across the nation. Jazz Ensemble earned the highest rating of one, and Symphonic Band earned a two. A stop at Busch Gardens added even more fun to their trip. Seniors have shown that spirit and close companionship are an integral part of being a band member.

Choir numbers grow

Under the direction of **Mary Kay Price**, Northville High School's choir program has grown larger and stronger each year. This year's program consists of Concert Choir, Treble Chorus, Vocal Workshop, a mixture of male and female students who sing pop and show tunes, and Barbershop Quartet. The newest vocal group at NHS, Northville Singers, consists of eight males and eight females who were selected by audition. Northville Singers entertained audiences at the Novi Hilton as well as at several civic functions. In February Northville Singers performed at Festival and were awarded a second place rating.

Senior **Jennifer Cox** also brought home honors by receiving a number one rating at the State Honors Choir Festival.

Throughout the year choir members have had a busy schedule entertaining the community, singing the national anthem at all home athletic events, and producing their most successful fundraiser of the year — Val-O-Grams, flowers delivered with a Valentine's Day song.

Palladium emerges from renovation rubble

The 1986 yearbook committee has successfully overcome a series of difficult obstacles. The lack of a classroom in which to congregate made meetings almost impossible, but **Carol Rahimi**, organizer of the 1986 Palladium, kindly donated her home in order for the yearbook to be completed. In addition, the lack of people with previous experience on the yearbook staff made the early weeks a bit confusing. However, the committee soon rose above this hindrance.

Anne Griffith, as editor-in-chief, deserves to be commended for all the time and effort she selflessly put forth. And, as usual, other activities prohibited many members from being available for constant participation. However, with the aid of all the contributors who spent time writing articles, typing, and giving encouragement, the yearbook was completed on time and is a fine example of the determination of a dedicated few.

Conrad Birdie comes to Northville High

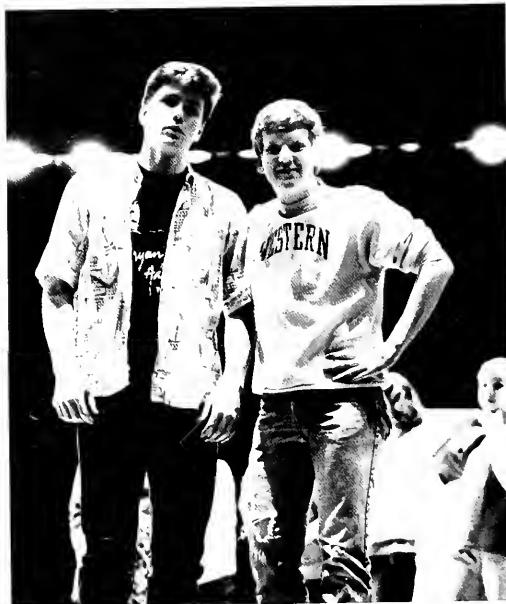

"Bye Bye Birdie," this spring's musical, was directed by newcomer **David Drobot**. Although the production started late, the performance came together wonderfully in 'a healthy, normal, American way.'

Hutch Kerns played Conrad Birdie, a popular Elvis-Type 50's singer who was drafted into the Army. As a promotion for him, his managers **Albert**, **Russ Rothermel**, and **Rosie**, **Mina Rahimi**, picked one lucky girl to receive the 'last kiss' from Conrad. **Karla Pearson** played the chosen one — **Kim MacAffee**. **Nancy Merrifield** and **Jim Chappell** were her parents and **Jason Merecki** her brother. Kim's steady, **Hugo Peabody**, was portrayed by **Ian Chowdhury**.

The above parts combined with thirty more 'fine, upstanding, healthy' high school kids to 'put a happy face' on all who saw the play. Once again Northville High School students showed that they have 'a lot of livin' to do' with a top quality performance.

Karla Pearson is all smiles as she thinks about her date with Conrad Birdie, while her brother **Jason Merecki** and her mother **Nancy Merrifield** look on.

Peppin' Up NHS

Once again this year the Pep Club sponsored the Homecoming dance. Under the direction of **Mike Crawford** and **Steve Cook** the group organized the event following the fairy tale theme.

The creative club also introduced a new activity for Homecoming spirit week — class competition night. At this first annual event held on the football field, the Pep Club took full responsibility for planning each event. Gunny-sack races, 3-legged races, tug of war, and the chariot challenge proved to get all classes rowdied up. However, the audience let loose most astoundingly during musical chairs when the losers received whipped cream pies in their faces.

As in the past the Pep Club provided a concession stand at football and basketball games.

With such uniquely peppy students working together, the Northville High school Pep Club is bound to introduce even more creative festivities in years to come.

Even in the Meads Mill cafeteria students have fun at the Homecoming dance.

Students work for alcohol free proms

One of this year's newest organizations is S.A.D.D. (Students Against Drunk Driving) which formed under the direction of Assistant Principal **William Hamilton**. Despite the split schedules, a group of forty students attended the first meeting and elected officers for the 1985-86 school year.

Under the leadership of co-presidents **Beth Buckland** and **Mark Dozier**, Vice-President **Roxanne Serkaian**, Secretary **Anne Griffith**, and Public Relations Head **Mary Phillips**, the group made plans to involve a greater variety of students and to make elementary and middle school children more aware of the dangers of drinking and driving.

Several officers attended league-wide S.A.D.D. meetings in Farmington to exchange ideas and to broaden the scope of S.A.D.D. amongst other area high schools such as Harrison, Churchill, Canton, and Novi. In November students attended Project Graduation in Southfield where the day was spent exchanging ideas to be instigated around graduation time to discourage drinking and driving.

Thanks to the help of Northville Action Council, the play "One More for the Road" was performed before spring break as a reminder to students not to drink and drive. Hopefully the efforts of this group will help prevent young teenage drinkers from sitting behind the wheel of a car.

Boosters Make Us Better

Supporting the Northville Public Schools and the activities of their students has long been a priority of Northville parents. They have given their support through organizations such as the Northville Mothers Club, Northville Athletic Boosters, Northville Music Boosters, and the Northville Action Council.

The Northville Mothers Club is a service Organization of 35 women whose purpose is to promote the educational enrichment of youth in the Northville community. This is accomplished through many fund raising events such as the printing and selling of ads for the community phone book, ski and skate sale, and Christmas open houses. NHS has been fortunate to receive generous contributions from Mothers Club, such as a piano and tuxedos for the choir, a VCR camera, typewriters, computers, potters wheels and funds to send delegates to boys' and girls' state.

Northville Athletic Booster Club is an organized group of parents who support the sports program at NHS. Cooperation and hard work by these parents have reaped very successful fund raisers. They sell season passes for sports events, gather advertisements for sport programs, and organize a popular and well attended Clambake. The aim of this Boosters Club is to offer support and to share their funds with coaches and students for the betterment of their sports program. This year they bought a girls pitching machine and wind screens for the tennis courts. In addition they contributed to the purchase of a new timing system for the swimming pool and for asphalt to pave a runway along the track.

Parents of students involved in the Arts program at NHS have organized to provide similar assistance to these students and their advisors. Their purpose is to encourage the development

and growth of the Music Department at NHS. Among the fund raising conducted by Music Boosters are an annual pumpkin bread sale, cheese and sausage sale and the making and selling of Music Booster buttons. This year their funds were spent to provide uniforms for the choir and to purchase awards for their spring banquet. The newest parent support group at NHS is the Northville Action Council. Their purpose is to give assistance to SADD — Students Against Drunk Driving, when needed and to provide programs and information to students at Northville High concerning drinking and drug abuse. They have been busy raising funds for these programs by selling hot dogs at the concession stand during home basketball games.

Northville High and its students are very fortunate to have such active parents behind them.

Computer users join to form Binary Digits

Over one year ago a local group of computer users joined together to form a club. This group's purpose was to gather people with a common interest in computers, exchange ideas and have fun. Through the work put forth and money donated by all the members of the group, enough equipment was purchased to set up a full time computer bulletin board system. Today the group consists of almost twenty members, most of which attend Northville High School.

As our school moves toward a stronger and more technically supported computer curriculum, the group would like to generate a greater interest in computers and introduce a school sponsored group known as the Binary Digits. The future will bring only more computers, and those who enjoy them should have a place to share a common interest.

Like so many others without a place to call home at the Annex, the computer club sets up its equipment in the cafeteria.

Strikers finish strong

With only four seniors on this year's men's varsity soccer team, the young kickers' performance in the highly competitive Western Lakes Conference was very impressive.

The Mustangs finished with a 7-6-3 record, ending the season with a heartbreaking overtime loss to Canton during the regional playoffs. The booters ended up third in the division and fifth in the league standings.

Fred Cahill, returning captain Dan Magdich, and graduating captain Matt Peltz were chosen to the first team, all Western Division, while Ken Kossak, Nick Morris, Doug Ayers and Todd Stowell were elected to the second team, all Western Division.

Coach Dave Yezback, after successfully dealing with the pressures that accompany a first year coach, said of the team, "After a very slow start, everything started to click and we finished strong in a league where Salem, Canton, Churchill, and Stevenson took turns in the state rankings. Our young team got stronger throughout the '85 season and will continue its progress next year."

Senior Matt Ashby lunges toward the opponent's goal.

Small but mighty 4-4

Coached by Ann Turnbull, the 1985 Women's Cross Country team had an outstanding season. Led by senior co-captains **Sue Blanchard** and **Wendy Nuechterlein**, the team consisted of seniors Lynn Bills and Pam Cavanaugh, juniors Kris Marrone and Carol Olsen, sophomore Jennifer Goshorn, and freshman Nancy Belding. The team had a 4-4 record for the overall season and one state qualifier, Nuechterlein, who made her fourth appearance at the most prestigious meet of the season. Looking forward to the 1986 season, the Mustangs have four valuable runners returning.

Team depth leads harriers to 7-1 record

With the Mustangs Men's Cross Country team returning only one regular varsity harrier from 1984, the 1985 season was supposed to be a rebuilding year. It turned out to be anything but that, as the team finished the dual meet season with a 7-1 record.

The harriers had a 5-1 WLAA conference record and were 4-1 in the Western Division, narrowly missing the division crown in a close meet with rival Plymouth Canton. The consistent outings of **Kevin Haas, Scott Wiley, Ken Booth, and John Kissinger** paced the harriers all year. The team's depth, however, helped make the season so successful.

Outstanding individuals snatch titles

The Northville High School Women's Tennis Team had an outstanding year despite conflicting schedules between the upper and lower classmen. The combined efforts of Mrs. Filkin and Mr. Norton led the team to a 7-6 record. Senior **Sue Lane** also assisted the two coaches as well as keeping up the team spirit. Freshman **Heidi Robins** and sophomore **Kathleen Kotarski**, outstanding at third doubles, won their conference title. Freshman **Abby Edwards**, at third singles, won her division title. The combined junior-senior doubles teams of **Dorothy Ziegler** and **Lisa Felicelli** (first doubles) and **Lauren Oliver** and **Jennifer Millgard** (second doubles) captured their division titles as well.

The Junior Varsity team proved their strength by overwhelming their opponents all season. **Shannon Couzens** and **Nancy Dutkiewicz** won their League Division title. Many thanks to their supportive team mascot, Tigger, who kept them laughing through a fun as well as successful season.

Freshman **Abby Edwards** swung her way to a division title.

Golfers post 7-3 record

The 1985 Men's Golf Team highlighted by new coach **Harold McVicar** compiled a 7-3 overall record, much improved over last seasons 6-6 mark. In division play this year's squad earned a fourth place finish with their 5-3 division record.

The team's up-coming talent comes from Freshmen **Kevin Telepo** and **Mark Stephens**. Also sophomore **Kirk Windisch**, the most improved golfer this year, will add to the 1986 team. Most importantly Northville will be looking for leadership from returning juniors **Ric McCulloch**, **J. Moore** and **John Nordbeck**.

Graduating seniors from the 1985 team are **John Taschner**, **Mark Olsen**, **Keith Dutkiewicz**, **Mark Zayti** and Co-Captains **Ron Demeter** and **Mike Oglesby**.

Swimmers splash in '85

Although the Northville Mustang swimmers had an irregular season, coach **Bill Dicks** still managed to produce a winning team. Placing seventh at the WLAA Relays at the beginning of the season and eighth at the League Championships, the Mustangs were a talented team. High point scorers Freshman **Sue Settles**, Junior **Shari Thompson** and Senior **Kim Brining** helped the Mustangs win many meets. Co-Captains **Kim Valade**, **Erika Nelsen** and **Shari Thompson** were also great assets to the team. Congratulations to Freshman **Sue Settles** who went to the state meet in the 200 yd. freestyle. The team was young this year, but Coach Dicks is looking for an even stronger team in the years to come.

Gridders overcome injuries

The Varsity Football team looked forward to making the state playoffs this season, but due to some key injuries to **Gary Harper**, Co-Captain **Mark Deal** and others, that goal was pushed out of reach.

However, under the skillful leadership of Co-Captains **Mark Deal**, **Paul Newitt**, and **Phil Pendleton**, the team pulled together to win four of their last five games and finish over .500. The season closed with the team's injuries healed and a victory over Novi.

Cheerleaders fly high

Once again this year the Mustang cheerleaders sparked school spirit by leading football and basketball fans in chants and cheers.

Newcomer to Northville, **Juanita Birdsong**, took the job as Varsity and Junior Varsity cheerleading coach.

The cheerleaders attended a P.A.C.E. camp during July and helped with the Junior Baseball World Series in August. They also gave the football players a surprise breakfast and planned an exciting Pep Rally during Spirit Week.

To their disappointment league competition was canceled this year, but they took part in a Pistons competition in December.

Led by the three senior co-captains, **Lisa Lutz**, **Lori Osborne**, and **Kristin VanderBok** both the J.V. and Varsity squads promoted good sportsmanship, enthusiasm, and overall pride in Northville High School.

Cagers post 11-10 record

1985 was the varsity cagers year to 'get over the hump.' "Our 11 wins and 10 losses was the first time in four years that Northville Women's Varsity Basketball has posted a winning record," said second year varsity coach, **Ed Kritch**.

A thrilling 43-39 victory over top ten Plymouth Canton was a high point in the cager's season, but the Chiefs fought back a month later and defeated Northville in the first round of the state tournament.

Senior tri-captains **Mary Howley**, **Chris McGowan**, and **Michele Siemasz** were a big part of Northville's success as they were spirited and showed leadership to the rest of the team made up of 9 juniors and 1 sophomore.

Talented juniors were noted for their fine playing. Forward **Tricia Ducker** was awarded All-Conference, All-Area first team, All-State honorable mention, and was voted the team's MVP. Center **Sue Schrader** was awarded All-Division and All-Area second team. Guard **Julie Anger** was All-Area honorable mention and voted the team's best defensive player. **Anne Griffith** was the most improved player.

The total team effort and the friendship of the players toward each other contributed to their success, and 1986 looks even more promising with 10 out of the 13 players returning.

Pom pon squad kicks their way to a first

With gusto and determination Senior **Chris Stassin** took eleven new Pom Pon girls and quickly brought them together to achieve an overall 2nd rating at camp this past summer.

Under the direction of their advisor **Vicki Zidell**, the girls dazzled Northville fans with their entertaining and colorful half-time performances. The highlight of their season came at Mid-American Competition where the pom pon girls, with the assistance of twelve able bodied males, brought home a first place trophy for their novelty routine. Despite the problems of broken equipment and a young squad, Coach **Michelle Charniga** and Manager **Mike Valentine** managed to pull everything together and accomplish many goals.

Patti Dunnabeck, the team's only senior, competed on the beam and floor exercise along with junior **Theresa Gatti**, who also participated on bars. Sophomore **Angie Miller** competed on beam and vault. Another sophomore, **Sherri Lane**, competed on vault and bars. Junior **Liz Hartman** participated on beam and bars.

The team had five all-arounders; juniors **Tonia Hickman** and **Donna Dunnabeck**, sophomore **Shelly Steinhebel**, and freshmen **Yvonne Beebe** and **Wendy Beach**. These people carried the weight of the team, but the success of the team was due to everyone working together.

Captain **Tonia Hickman** and **Wendy Beach** also qualified for the Regional Meet in Jackson. The 1986 season was a rebuilding year, but the future of the women's varsity gymnastics team looks very promising.

Equestrian riders take third place

The Northville High school Equestrian team competed in three meets this Fall riding against Class A and Class B Teams from the surrounding area. Northville finished its season in 3rd place at the final meet with Fowlerville edging Northville out by three points for the Class B Division.

Junior **Wendi Trexler** rode in Western Equitation, Western Bareback, Western Riding, Hunt Seat Equitation, Two-Man Relay and also showed her horse in Western Fitting and Showing. Senior **Kathy Doyle** showed her horse in Hunt Seat Equitation., Cloverleaf, Flag Race, Speed and Action and Hunt Seat Fitting and showing. Junior **Erin Sullivan** showed in Saddle Seat Fitting and Showing, Saddle Seat Pattern, Speed and Action and Cloverleaf; her brother freshman **Sean Sullivan**, competed in Western Equitation, Western Riding Trail and Two-Man Relay. Freshman **Tammy Geake** competed in Saddle Seat Pattern, Saddle Seat Bareback, Speed and Action and Flag Race.

Grooming of both the horse and rider and presentation are nearly as important as riding skill, with the emphasis on an all-around approach to horsemanship. Coach **Kelly Sullivan** was pleased with her team and hopes to make it to the State Finals next year!

Omar grins after 15 wins

If you see Coach **Omar Harrison** smiling these days, it is because his Mustang cagers went 13-4 in the Western Lakes Conference and took second place in the Western Division with an overall 15-5 record.

The Mustangs started out on a tough ten-game road trip, but brought home seven wins and only three losses, defeating Stevenson for the first time in Northville history. When the Mustangs finally performed in their refurbished gym, they started a winning tradition by defeating the North Farmington Raiders.

Senior captain **Don Norton** led the Mustangs with his scoring ability while senior **Mike Hilfinger** helped spark the offense. Guard **Kirk Morrison** contributed with his assists and excellent shot so that 6'6" center **Matt "Baskerville" Hinds** could play garbage collector and scrap for extra points. **Gary "Crazy legs" Harper** aided with his strong rebounding while forward **Paul Newitt** stabilized the cagers with his consistent play and hustling defense. Talented juniors were another asset for the '85 Mustangs and will surely be catalysts for a successful season next year.

Tankers make waves

The Men's Swim Team managed to streak through a rather wavy season to arrive as co-champions of the Western Division title.

A tie meet in swimming is quite rare. However, in one of the best meets all season against Churchill, the splashing Mustangs came face to face with the grinning score of 86-86, only to return the following week to tie Novi in a similar situation.

The Mustang swimmers, therefore, compiled an overall dual meet record of six wins, two ties, and five losses. And a Division record of four wins and one tie to split the Division trophy.

Under the direction of first year head coach **Keith Wright**, the swimmers looked forward to the League Meet to finally settle their differences and decide who really holds the title.

Jeff Bainbridge broke the school record in the 100-backstroke, and the 400-free relay team consisting of Wayne, Buell, Bainbridge and Mikalonis also set an impressive record for NHS. Two state qualifiers were **Doug Buell** in the 100-butterfly and **Bainbridge** in the 100-back.

The team's tri-captains: **Doug Buell**, **Dave Wayne** and **Eric Leiendecker** helped keep the team together in this important season and led them to the rewards for top notch swimming.

Young wrestlers improve record

The wrestling team, with a little more experience this year, improved its record from only 2 wins last year to a 5-12 record this year. Coach Townsley saw a lot of improvement this season and expects more when wrestling begins its new season next November. Although none of the wrestlers made it past Districts this year, that should not stop them from advancing next February. After a season of experience, the first and second year starters should be an asset to Northville's team.

Spikers play tough end season 8-8

Northville High School's Women's Varsity Volleyball Team ended their season with an even 8-8 record, an improvement over last year. However, the team had higher expectations for a better season. Unfortunately their losses were very close games in which the final points decided the game. There were many highlights during the season, including a thrilling victory over Churchill at home in front of an enthusiastic crowd.

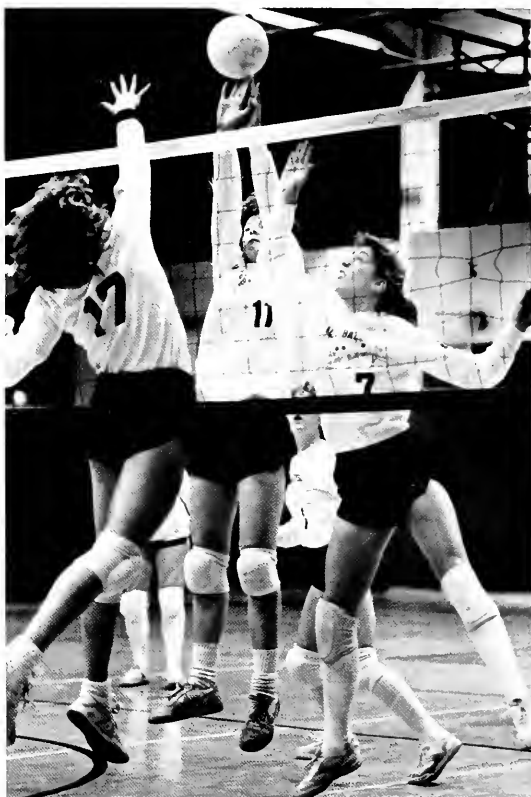

The better portion of the starting lineup was a six member senior core consisting of **Lisa Cipicchio**, **Lynn Frellick**, **Co-Captains Nicki LaRoque** and **Chris McGowan**, **Mandy Olgren**, and **Melanie Urbans**. With many Juniors gaining valuable experience, the team is looking forward to the 1986-1987 season.

Outstanding netters produce 13-1 record

The men's tennis team had an outstanding season winning 13 and losing only 1.

The year's best match came against powerhouse Farmington Harrison. After losing second, third and fourth singles, the Mustangs rebounded with three set wins at first singles and the three doubles positions.

Four team members received All-Division honors; **Terry Michelitch** (16-2) at first singles, **Mike Reitenga** (13-5) at third singles, and **Don Norton** (14-3) and partner **Mike Tabaczynski** (13-5) at second doubles.

The '86 season will have many experienced players, as graduation claimed only one player.

In summary of the '85 season, Coach Norton stated, "We did much better than I counted on us doing at the beginning of the year. I think we will be right up there again next year."

Strikers kick into action

The Mustang strikers' enthusiasm and team spirit was alive and strong during the 1985 soccer season. The team finished the season with a record of 14 wins, 3 losses, and 2 ties. The team scored a total of 58 goals giving up only 18. While the offense did an excellent job scoring goals, the defense was the major factor in the successful 1985 soccer season, being the source of four victorious shutouts for the Mustangs.

Many of the girls walked away with honors at the conclusion of the season. **Kathy Korowin** made All League and had an Honorable Mention All State. **Julie Nowka** made All Division. The team's outstanding goalie, **Tricia Ducker**, made All State Second Team. Sophomores **Julie Anger**, **Kim Flading** and **Michelle Cross** made Honorable Mention for All Division.

This talented team made it all the way to the Regional Finals which put them against Livonia Stevenson. This exciting game went into two overtimes and ended when Stevenson scored in the last few minutes of the second overtime.

Runners work hard

The 1985 Varsity Track Team had a rather rough season, but under the leadership of senior co-captains Brett Netke, Rich Naszradi and Tom Broderick, the team pulled together to win a couple of dual meets. The Mustangs' victory over neighborhood rival Novi encouraged the tracksters to keep up the good work. An even bigger victory over the Walled Lake Western Warriors 86-51 proved to be another season highlight.

At the awards pot luck, senior Brett Netke was voted the team's Most Valuable Runner and returning runners **Jeff Harp**, **John Bugar**, and **Tim Millen** were voted co-captains for the 1986 squad. Coach Paul Osborn is counting on his younger runners to give the tracksters an added boost in the spring of '86.

Two-miler **Kevin Haas** was an important asset to the Mustangs' long distance squad.

Record breaking year for lady tracksters

It was a year of broken records for the Women's Track Team in 1985. The 2-mile relay, 1-mile relay, 880-relay, 110 high hurdles, 100 yard dash, and the high jump were all long time records that were broken. 1985's Most Valuable Athlete and Captain was Senior **Cindy Panowicz** who has gone on to Kansas University to continue her track career. The other Senior Captain was middle distance runner **Jennifer Trausch**. Although the loss of Panowicz will hinder the team, many other valuable runners are returning in 1986.

Rebuilding Season for Mustang Softball

The 1985 Varsity Softball team coached by **Sue Heinzman** had a rebuilding yet strong season. High-scoring wins against Farmington Harrison and Novi helped boost the Mustangs' spirit. Part of the team's strength came from seniors Kim Richcreek (honorable mention All-Division, outfield), Lori Housman (All-Division, outfield), and Vicki Robbins. However, with only three players lost to graduations, the '86 season looks even brighter.

To help improve their record, the Mustangs will count on experienced players for leadership and steady play. Returning Mustangs **Chris McGowan** (All-Division catcher) and **Jackie Matteucci** (All-Division infield) should help stabilize the hitters as well as **Michele Siemasz** and **Julie Kaestner** who received All-Division honorable mentions. Returning sophomore **Nancy Dutkiewicz** should also aid the team. With teamwork, good conditioning, and a positive attitude, the Mustang hitters with new coach **Bob Gurlach** ought to improve their season record with no trouble at all.

'85 season spent rebuilding team

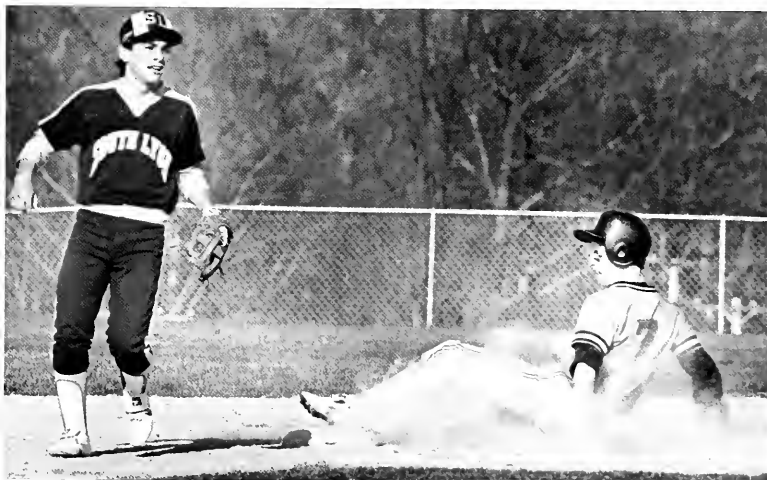

1985 was a rebuilding year for Northville Baseball with only one starter and four varsity players returning from the '84 team.

Even though the '85 squad lacked varsity experience, they certainly represented themselves and their school in an outstanding manner. The team was competitive throughout the season, ending the season second in the division behind Plymouth Canton with a division record of five wins and three losses. Northville's over-all record was 10-10.

The 1986 season should be another enjoyable year for Northville fans with several varsity players returning along with some very capable players from a junior varsity team that compiled an eight win twelve loss record in 1985.

Foreign students enjoy American activities

Hosting foreign exchange students at Northville High School can be a great learning experience. For the 1985-86 school year Northville High School enrolled young people from West Germany, Finland, Brazil, and Belgium. As exchange students they were exposed to different cultures, customs, and learned about the characteristics of the American people. In addition many took part in school activities as enjoyable highlights during their stay in the United States. Elke was on the Women's Tennis Team, Sanna and Thierry enjoyed the school dances, and Violeta attended basketball games and worked on the set for the spring musical "Bye Bye Birdie."

Sophomore Eduardo Carnaval lives in Rio De Janeiro, Brazil.

FOREIGN STUDENTS — Elke Ehrhardt, West Germany; Sanna Renko, Sippola, Finland; Thierry Desment, Belgium; Violeta Kertesz, Salvador, Brazil.

Academic Leaders

Northville High School is proud to have several scholars among its students. This year, three students, **Beth Ross**, **John Kiplinger** and **Jill Werdell** are National Merit finalist. **Laura Hepler**, **Nancy Holmes**, **Jane Carroll** and **Janice VanLoke** received commended honors for their participation in the National Merit testing program.

Sophomore **Matt Ho** brought honor to NHS by being one of the top 100 students in the Michigan Math Competition and Junior **Jason Ruiter** placed 1st in the regional B.O.E.C. Computer Science Competition.

In the English department Senior **Dawn Schweim** received a 2nd prize award in the Lawrence Institute of Technology writing contest.

English remains strong in spite of move

The dedicated and qualified English staff have had a rigorous year of changes. Moving books and supplies from one school to the other was not the most pleasant aspect of the renovation, but the teachers took it in stride.

This year the Humanities Class was privileged enough to receive a new classroom, the forum. Humanities remains one of the most highly acclaimed English courses at NHS, and to accommodate the great number of college-bound students, the classroom addition was both necessary and appreciated by the English staff.

Overall, the English program has held together with fantastic endurance and triumphantly conquered uncontrollable circumstances.

Math students win in statewide contest

Northville students have once again displayed advanced abilities in math, giving the department reason to be proud. As a whole, Northville High School students placed well above the statewide averages in the Michigan Educational Assessment Program (MEAP Test) taken last fall. Senior **Mark Bertagnolli** and sophomore **Matt Ho** participated in the Michigan Mathematics Competition and advanced to the second level of competition.

The variety of math classes continue to prepare students for college as it keeps a step ahead of the changing times. From pre-algebra to calculus, students benefit from the techniques of Northville's superior mathematics staff. An awards banquet was held at the close of the school year as has become tradition.

Classes taught at cramped Annex

From BSCS Biology 1 to Physics, the NHS Science Department offers an extensive variety of courses. The highly capable and experienced staff have courageously overcome the inconveniences of conducting classes at the Annex. The added difficulties of shortened class periods and the controversial requirement of walking between schools did not stop the students from learning all that was possible.

Ms. Barbara Starky organized and coached the second Science Olympics Team of Northville High. The team competed in the annual regional meet at U of M Dearborn. The meet included the popular "Science Bowl," a game show consisting of scientific categories.

Once again the conservation class traveled to Camp Mahn-Go-lahsee for an indepth study of the environment. The trip proved to be highly enjoyable and will no doubt be repeated in years to come.

Because of expanding career fields in the sciences, student needs have become more and more demanding. The NHS Science department has risen to meet the requirements of this technical age and continues to successfully prepare students for the world.

It looks like Eric Stempien's and Jeremy Kitchen's bacteria lab was smellingly successful!

Classes added to curriculum

Even though the social studies classes lacked a permanent location throughout most of the school year, teachers and students endured the inconveniences with hardly a complaint.

With the completion of the new social studies wing, classes such as United States in the 20th Century and Introduction to Social Sciences have been added to the curriculum. Both have proved highly profitable to sophomore and freshman students respectively.

Due to these changes, the format of the social studies program has been reinforced and has once again proven itself superior to that of other school districts.

Artistically Talented Students Fill the Halls of NHS

This department aims to enrich the artistic talents of Northville High students. Within this department students can experience throwing a pot on a potters wheel, firing a piece of ceramics, perfecting their singing talents or playing an instrument.

Mr. Pedersen will help a student learn the fine skill of pottery making as well as the rudiments of artistic drawing. Within the Music department we find **Michael Rumbell** helping a student to improve his embouchure and tone quality on his instrument, while next door **Mary Kay Price** can be heard rehearsing with the choir for an upcoming concert performance.

Industrial Arts offers hands on experience

Like many other departments, Industrial Arts underwent many changes during the renovation. A major improvement occurred when the auto shop, drafting, and electronics labs were relocated in one central area. With a more unified department and better equipment, students will certainly benefit from their new location.

Engineering drawing and architectural design classes are looking forward to their new C.A.D. (Computer Aided Design) equipment. Using computers will enable students to better visualize their drawings in a rotating three dimensional view.

With added equipment and a centralized location, the Industrial Arts Department will continue to give students excellent hands on training to prepare them well for future careers.

Students disco through Europe

Back from their harrowing but exciting fifteen day tour of Western Europe, the teachers of Northville High School foreign languages settled down to business as usual, instructing Spanish, French and German. The events of the past summer remain clear. The six adult and forty plus student group toured such cultural landmarks as the Louvre in Paris, Westminster Abbey of London and the Prado in Spain. In addition to such world renowned places, the students managed to take in some of the more social hot spots of the countries. Plazas, beaches, discos and record stores were just a few of the popular stops. The experiences of the students and teachers in Europe will surely add to their interests in foreign languages.

We continue to look forward to future trips and hope that all will prove to be as enriching as those in the past. Special thanks to **Emily Serafa-Manschot** for a wonderful job of organization.

Each year the American Association of Teachers of French (AATF) sponsors a National French Contest. This Grand Concours includes over 50,000 students nationally, with its numbers growing each year. New facility boosts spirits

Although students taking gym first semester had to tolerate the old Cooke gym, spirit remained high in anticipation of the new gym at the high school. The addition of this gym has put a total of two gyms and a pool at the students' disposal, expanding the number of physical education classes available. Not surprisingly, two new courses have been made available to students: Swim and Gym and Outdoor Education. Both classes proved to be a great success.

New equipment has been purchased and supplied to the new fitness center which is open for community use. Also, a new gym floor was installed in the school's original gym. Gym lockers have not been popular because of the variance in color and shape, but students will see a definite improvement next fall after all the lockers have been painted and the renovation is complete.

Junior **Sonja Taylor** and senior friend enjoy a game of ping-pong in the cafeteria "gym."

Teachers use new approach

A broad range of programs and services are available to a special education student through the concept of Departmentalization now being implemented at the secondary level.

The student's individualized program design depends on the nature and severity of their academic and emotional status.

The members of this team include: **Dennis Colligan**, **Cynthia Henderson**, **Susan Meyer**, and **Rosemary Sheppard** who provide Teacher Consultant services. **Sue Borcherts** is our new social worker and **Betty Fotis** is responsible for providing the buildings's Speech/Language services.

Mrs. Cassidy has a great time working with her students.

No store but still in business

Advanced Marketing took on the project of starting a new school store under the direction of **Michael W. Burley**. Because of the renovation the school store was not open for business, but students did take on many activities. The class, consisting mostly of seniors, held a candy sale at Halloween despite the extended day and raffled a white teddy bear at Christmas time. Providing refreshments at all the dances was a new task this year to help raise money for their future store. Mr. Burley's students also worked hard at the junior high dances to extend their influence beyond the high school's activities.

The drive of the young business people has helped them to prepare for the 1987 reopening of the school store. Their positive outlook was well expressed by student Hilltop Shoppe Chairman Senior **Dave Trumbull**, "We have contributed a lot for the store and in the next couple of years Northville High School will have one of the best school stores around."

Offering a comprehensive Home Economics program, at the Annex, was difficult, but with two new, well-equipped rooms in the renovated high school facility, Home Economics is sure to grow.

Students at Northville High School have the opportunity to take courses such as: Essential Living Skills, Parenting Decisions, and Parenting Preschoolers, as well as the traditional clothing and foods courses.

Under the expert leadership of teacher, **Karla Tibble**, students enrolled in Parenting Preschoolers receive hands on experience by observing and working with toddlers, either in class or at the Moraine Early Childhood Development Center.

With the addition of a new demonstration kitchen and a new staff member, **Shirley Klokenga**, students taking Foods and Nutrition are sure to find that eating right can be fun.

Shirley Klokenga is the newest member of the Home Ec. staff.

Home Ec. at the Annex proves to be a real learning experience.

Students find work rewarding

Community Service has become more than "just a class" to the students. The program involves spending a set period of time each day at a "contact," ranging from child care, helping out in a dentist's office, to caring for the elderly of the community.

Tom Johnson, who ran the program this year, encourages the students to find volunteer work in his or her area of interest. Many students receive "on the job training" in areas of possible future careers. All in all, the students find the program a fulfilling experience, worthy of recommendation to other students.

Getting Our Kicks In '86!

Despite the disruptive atmosphere at N.H.S, senior year for the Class of '86 has had many high points. Lunch hour activities were eliminated from Homecoming Week with the absence of a lunch hour, but the Class of '86 came on strong for the newly created spirit night and kept tradition alive by again being the victors of the week's competition.

Hopes and spirits reign high among senior class members as they wait anxiously to attend classes in the newly renovated high school. With a year of leaky roofs, flooding halls, $\frac{1}{2}$ days at the Annex, and construction crews behind them, they eagerly look forward to 1986 and graduation from the "New High School On The Hill".

SENIOR CLASS OFFICERS — Sponsor Nancy Arnold, Secretary Sheila Thompson, Vice-President Nicki LaRoque, President Craig Kozler, Treasurer Jill Kilner, Lisa Lutz.

*Those classes of the past
Were all in our minds
Keeping in our hearts
We were one of a kind.*

*Three years went by
In a wink of an eye
We showed no emotion
Not a sniffle or cry.*

*We will come to school
One day in June.
It seems so close,
Like it's really too soon.*

*Seeing old faces
Thinking of friends
Wishing in our hearts
This day would never end.*

*That one last time
We gather together
The class of '86
Living forever.*

*For the future
We are the keys
Sharing in our hearts
The desire just to be.*

Juniors — a jump ahead

Thanks to the hard work put in by active juniors, the Class of '87 raised considerable funds for their class treasury.

Led by President **Susie Rahimi**, Vice-President **Dave Kozler**, Secretary **Stephanie Pappas**, and Treasurer **Scott Nolan**, the juniors worked together to take second place in the Homecoming Parade.

To help defray costs for their senior prom, the Class of '87 participated in the annual junior class magazine sale and sold more than any other previous classes. The juniors also took part in planning the Spirit Week dance, a co-sponsored fundraiser with the sophomores.

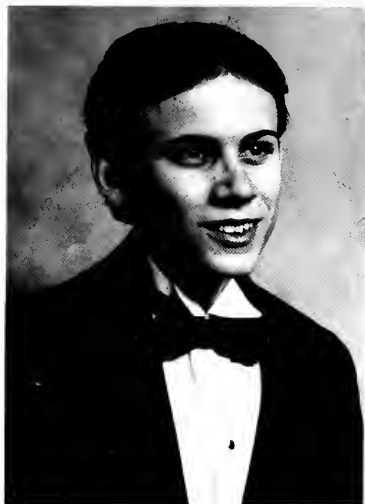

The creativity of the Class of '87 became evident with their introduction of computer dating to NHS. The pair-matching program matched each student who filled out a questionnaire with a compatible partner based on similar traits and interests.

Despite the split time schedules at the Annex, the juniors sold donuts during finals and finished an exciting year with a fuller bank account and a class looking forward to their senior year.

Juniors **Beth Buckland** and **Anne Griffith** look toward the future.

JUNIOR CLASS OFFICERS — Secretary **Stephanie Pappas**, Vice-President **Dave Kozler**, and President **Susie Rahimi**.

Dean Talbot accomplished a great deal in his short life, in spite of his illness. His ambition was to lead a normal life, but he did more than that . . .

Dean was active in the Northville High School Concert Choir, an activity he fully enjoyed. Dean expended considerable effort to maintain his grades and complete his classwork throughout frequent hospitalizations and extended absences.

Dean was very active in his church. He also earned the distinction of Eagle Scout in his troop and inspired others to do the same.

When we think of Dean, we think of his courage and his determination, but we also think of his wit. Dean had an excellent sense of humor. His death has left a great void in the lives of his family, his friends and Northville High.

Spirited sophomores overcome the odds

If you thought being a sophomore meant finally leaving the junior high, you were in for a surprise first semester. The year got off to a somewhat bumpy start, but the "official sophomore class of the N.H.S. Annex" didn't let the split schedule dampen their spirits or slow them down.

One of the main fundraisers was the Turkey Trot dance held at Meads Mill. It was sponsored by Student Congress and raised over two hundred dollars for the sophomore class. Another fundraiser was the hot chocolate sale held January 13-18. The sale not only raised money but also warmed students walking from the buses to the school.

There were many opportunities this year for the sophomores to express their school spirit, including participating in Homecoming week activities and the building of the infamous "Peter Pan" float.

This class has displayed much leadership and drive, with no signs of stopping. Watch out for the Class of '88!

Merrilyn Michelitch was chosen to represent Northville in the 1986 Hugh O'Brien Youth Foundation Leadership Seminar. One sophomore from each Michigan high school is selected to attend the three day seminar at a local college based upon outstanding leadership qualities, good communication skills, and a well-rounded background.

Freshmen Strike It Rich!

The 1985-1986 year has been a terrific success for the first Freshman class of Northville High in over ten years. The Freshmen were off to a great start during Homecoming week. At class competition night they slaughtered the Sophomore team in the tug of war event. Despite their lack of float building experience, the Freshmen put a lot of hard work into their Homecoming float, based upon the fairy tale "Red Riding Hood." In the weekend after Homecoming, seven girls from the Freshman class worked at Crawford's and made \$125 which paid off the debt for their Homecoming float. On the second Saturday of November, sixty Freshmen took part in delivering AT&T information handbills, working most of the day in soggy weather and earning close to \$1,000.00 for the class. Another event concluding the month of November was the Turkey Trot Dance sponsored by Student Congress in which all profits were equally divided between the Sophomores and Freshmen.

Treasurer Julie Hilfinger is busy balancing the Freshman accounts.

Optimistic administration has a move to remember

Schedule changes, packing, moving, and unpacking became almost routine activities for everyone this year. Administratively it was a headache like you wouldn't believe.

First came the difficult decision to hold classes in the High School Annex, then the rescheduling of 1,200 students in a week's time, finding other facilities for the sports program, rescheduling their play and practice schedules, informing parents and students of the changes, and on and on. It was an experience Principal **Dave Bolitho** and Assistant Principals **William Hamilton** and **Ralph Redmond** would rather not have to live through again.

Despite the adversity, they all agreed it was a year they could be very proud of their students and staff. Cooperation, teamwork, and a willingness to adjust were key factors in the success of the 1985-86 season.

Superintendent **George Bell** is all smiles at the prospect of a new facility for Northville High School.

Mr. Bolitho walks students through a tour of their new high school.

Principal **David Bolitho** stands proudly in his new building.

Assistant Principal **William Hamilton** has been a strong force at the Annex.

Assistant principal **Ralph Redmond** spends a rare moment at his desk.

Red and Blue make purple Mr. Petersen!
 "This is Mustang Country!"
 Please . . . Ms. Bubel, let me have a birdie.

Robert Sharrar is busy correcting papers.

Paul Osborn's favorite toy is his overhead projector.

Office personnel cope well in Annex office

Despite half a year spent crowded at the Annex, our faithful office workers, **Nan Oliver**, **Sharon Cutler**, **Betty Colovas**, **Dee Moore** and **Julie O'Brien** are now located in a beautiful new working space. The situation was tough at times, especially when juniors requested parking permits and **Betty Colovas** couldn't grant them, and schedules had to be re-worked. However, a smile and friendly word were always available in the Annex office.

All their hard work and support are, as ever, greatly appreciated, and even more so in this year of the Annex.

Ralph Redmond's secretary **Betty Colovas** is busy arranging the athletic teams' move into the new high school gym.

Top Right: Smiling secretary **Julie O'Brien** is always willing to help a student.

Middle: **Alta Olsen** kindly asks counseling secretary **Sharon Cutler** to send out a student's transcripts.

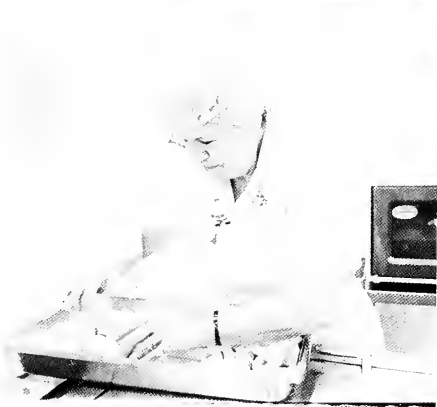

Dee LaChance and **Jenny Luther** help secretary **Nan Oliver** with her work.

It's snack time

Imagine working in a cafeteria made to handle 500 students yet being required to serve lunch to a body of over a 1000. Also imagine having to adjust to unfamiliar working conditions and still be required to serve hot lunches as fast and efficiently as possible with a shortage of trays, equipment, and personnel. The Northville High School lunch force put up with all that and more in its daily crusade to prepare, heat, and serve hot lunches and then clean up for over a thousand people daily. Their constant smiles and good humor greeted Northville students and faculty alike and made lunchtime cheerful and enjoyable for all.

Kathy Crichton takes time out for a Twinkie.

Anabell Scott prepares sandwiches for snack break at the Annex.

Cafeteria workers show off their merchandise.

Jeff just can't resist those homemade cookies.

Custodian **Laurie Noffsinger** stops in

PARENTS PRIDE

Parents Pride is the newest addition to the Palladium. It was created to provide senior parents a chance to wish their student good luck in future plans and to congratulate them for all their accomplishments. On behalf of this section's editors,

Chris
To a great year
I'm glad we
were in marketing
together. You're real
swimmers. Have a great summer!

Have a fun-filled
summer & hope to
see you in more of my
classes next year at N45.
Love ya, "Bridget"

Chris, this
well, this
was a pretty
good year - wasn't
it? It's really
nice to have
such a sweet
gal right next
door. Let me
tell you, we've
come a long way
together.
See ya at
the pool!
Love
Beck

CHRIS
I hardly
even know you
but you seem to be
a pretty nice person.
Have fun this summer.

Chris,
it's nice to know
you! TRACY W.

Sex is great
were the class of "88"

Love always
have a great summer
and party down do
to you later.
well I better get
going and I'll talk
had you in my class.
your very sweet and I'm glad I
Since I'm moving but who knows!

Chris, Hi! Guess what I
just finished the marketing test.
So how was your day so far?
Well mine's okay. Marketing
really sucks and I can't wait
to get out of it. Well I hope
you have a great summer and
I probably won't see you again.

Chris,
I never really
got to know you, but I hope
you have a great summer.
Love always
here
Julie
